

Dear Rafael and Katia

You far and away exceeded our expectations for the program at the Palm Springs Library on Tuesday June 26th.

Comments from the audience were: amazing, awesome and innovative. They loved hearing the children laughing and having a good time.

As the Youth Manager and Staff we loved that you encouraged children to read and use the library.

I also appreciated your professionalism and arriving early.

Keep up the good work. You are now on our A list of performers.

Have a great summer

Sincerely  
Sharon Snow
