Professional Magic Show

I would like to take this opportunity to appreciate the phenomenal success we had with your magic show here March 24, 2004 at Central Juvenile Hall. Initially we were so excited to learn that you would be able to perform a magic show pro bono for our youth here at Central Juvenile Hall.

During the magic show, the youth and the officers both participated and laughed together. Some unidentified persons were even seen laughing and smiling for the first time! Everyone in attendance was satisfied with your mix of comedy and magical skills.

The youth are still talking about your performance here and wonder, "When are they coming back? Thank you both Rafael and Katia for being positive role models in these youth's lives. You are to be accommodated for your unselfish giving of yourselves. May this labor of love bring you untold rewards!

Superintendent
